

Health Education England

## Notes

*This is an example of the L3 list as a tabular solution. The dev work has already begun with JohnG and Bootstrap. We will need to make a few edits to meet the design doc that follows.*

### **Admin UI: People - Personal Details example with the L3 tabs**

This is an example of how the page will look in Personal details. I will however also create an additional example in the documents page as this has the feature of adding a document (button) which we need to be aware of.
